

The Expanse

Navigating Communication When Building R Packages

Ben Arancibia

This presentation is my own personal opinion and does not necessarily
represent the opinions of GSK

Communication

**“We need to take into account covariant adjustments for
Bayesian Dynamic Borrowing”**

#TheExpanse

How do you avoid this?

#TheExpanse

**PEOPLE DESERVE
THE TRUTH**

Setting up a Culture of Collaboration and Values

Radical Transparency

Trust

Respect

Courage

Commitment

A scene from the television series Star Trek: Voyager. Neelix, played by Ethan Phillips, is in the foreground, looking slightly to his right with a thoughtful expression. He has dark hair and a light beard, wearing a dark blue t-shirt. In the background, Kesot, played by Michael E. Smith, is partially visible, looking towards Neelix. He is wearing a dark, patterned uniform. The setting appears to be the interior of the USS Voyager, with blue and white lights visible in the background.

I'm glad we had this talk
